

Kaya Bromley

ACA Expert, Leading Business Strategist, Founder and CEO of Your Obamacare Advisors, Speaker, Attorney, & Author

Kaya Bromley is a compelling speaker who uses humor and her gift of simplifying complex concepts to help her audiences walk away with a basic understanding of the Affordable Care Act (ACA). She has taught hundreds of organizations how to strategically approach the ACA so that they can find hidden opportunities as well as create profit centers, and she has been featured in, and on, major media outlets that include First Business News TV, NBC News Reno, Chief Executive Magazine and many others.

As a leading business strategist and ACA expert, attorney, speaker and author, Kaya is the founder and CEO of Your Obamacare Advisors and has been recognized for her work in developing FreedomCare Benefits, a state-of-the-art, ACA-compliant program for large employers. She has also authored two books on the ACA, *The Obamacare Roadmap* and *The Employer's Guide to Obamacare*. As an attorney of 12 years and leading expert on Obamacare, Kaya's knowledge can move employers beyond merely complying with the ACA to strategic thinking and finding the opportunities within it.

Kaya addresses groups that include large and small employers, CPA's, lawyers and financial planners. She has presented at numerous events to organizations that include:

Accounting Today;
Burger King Franchisees;
California Farm Labor Contractor Association;
Employer Healthcare Congress;
Greater Conejo Valley Chamber of Commerce;
Jack-In-the-Box Franchisees;
Kern County Association for Health Underwriters;
Marco's Pizza Franchisees;
McDonald's Franchisees;
And More.

Kaya's presentation topics include:

The Obamacare Opportunity: Kaya shares the tools and strategies she has taught to hundreds of organizations.

The ACA Chess Game: An insiders' look at what is really going on with the ACA and how you can prepare yourself for what's coming next.

Unintended Consequences of the ACA: Participants will learn about the pitfalls and unintended consequences that have been created by the ACA.

Kaya customizes presentations for associations, corporations and other groups.

What bookers say about Kaya:

"Kaya Bromley was the best resource our large Chamber of Commerce could have asked for to explain how to navigate ObamaCare. Our Chamber has a diverse membership with many different market segments and Kaya provided clarity and resources for all of them. I give her my highest recommendation as the expert for this business-changing legislation."

-Jill Lederer, President/CEO, Greater Conejo Valley Chamber of Commerce

"Kaya's presentation was the first presentation that simplified the complexity of Obamacare. It broke it down in a way that I understood what steps I need to take next. It also clarified the necessity for planning, providing real tools to take the next steps."

-Marie Brown, Vice President, Alamal Pizza, Inc. (Marco's Pizza® Franchisee)

"Kaya's presentation was short, straight to the point and detailed. Just what I want to know as a business owner."

-John Balletto, President/Principal, Balletto Vineyards & Winery
